1. INTRODUCTION & GOVERNANCE

Welcome from the Principal

Welcome to Oakridge Academy. This handbook is designed to outline the expectations, policies, and responsibilities that govern our community. Our goal is to maintain a safe, challenging, and supportive environment where every student can unlock their full academic and personal potential. We expect students and parents to review this document together to ensure mutual compliance and a shared vision for the upcoming academic year.

Mission Statement

Oakridge Academy is dedicated to fostering intellectual curiosity, critical thinking, and moral integrity. We prepare diverse student populations to become responsible global citizens and lifelong learners through rigorous academics, comprehensive arts programs, and competitive athletics.

"Our vision is to be a benchmark institution where tradition meets innovation, cultivating leaders who approach the world with empathy, resilience, and outstanding scholarly capability."

Institutional Core Values

- **Academic Excellence:** Continuous pursuit of truth, critical knowledge, and disciplined intellect.
- **Integrity:** Operating transparently with unyielding ethical frameworks in both digital and physical spaces.
- **Respect:** Embracing cultural, intellectual, and individual diversity within a safe collaborative network.
- **Stewardship:** Accepting personal accountability for the preservation of school culture and the environment.

2. ACADEMIC POLICIES

Oakridge Academy maintains a strict and rigorous curriculum standard. Student progression is tied entirely to cumulative assessments, engagement, and conceptual mastery.

Grading Framework & GPA Scale

Evaluations are recorded systematically using numerical weighting, converted into traditional letter configurations. Cumulative Grade Point Averages (GPA) are calibrated on a standard 4.00 scale as follows:

Letter Grade	Percentage Range	GPA Equivalent	Academic Standing
A	93% – 100%	4.00	Excellent
B	85% – 92%	3.00	Above Average
C	75% – 84%	2.00	Satisfactory
D	65% – 74%	1.00	Passing / At Risk
F	Below 65%	0.00	Failing

Academic Probation & Progress Monitoring

Students whose cumulative grade point average falls below a 2.00 at any formal marking period will be placed on Academic Probation. Academic Probation forces an automated intervention sequence including mandatory bi-weekly progress updates, targeted faculty tutoring sessions, and temporary suspension from all extracurricular activities, including interscholastic athletics.

Academic Integrity Policy

Plagiarism, intentional unauthorized collaboration, copying digital assets, or incorporating artificial intelligence output without structural pedagogical permission is strictly prohibited. First offenses yield a zero on the instrument. Repeat occurrences trigger formal suspension hearings before the Honor Council.

3. STUDENT CODE OF CONDUCT

Students represent Oakridge Academy at all times. Behavior that compromises the dignity, emotional peace, or safety of our campus network is subject to immediate disciplinary actions.

Standard Attendance Framework

Regular daily presence is non-negotiable for academic progression. Unexcused absences totaling more than ten (10) school days over a single semester automatically void academic credits for that designated term, regardless of the student's current numerical grade standing.

The Honor Code

The Oakridge Pledge: "As a member of the Oakridge Academy community, I pledge to live honorably, to refrain from lying, cheating, or stealing, and to actively defend the physical, digital, and intellectual spaces of my school from disrespect and harm."

Prohibited On-Campus Infractions

1. **Electronic Device Misuse:** Cellular phones, wearable communication devices, and personal laptops must be stored away during instructional blocks unless a teacher explicitly grants permission for pedagogical use.
2. **Harassment & Bullying:** Bullying, hazing, or cyber-harassment targeted at peers or school employees will generate an immediate external suspension, pending a definitive expulsion assessment.
3. **Vandalism:** Defacing structural property, lab equipment, books, or lockers requires full financial restitution alongside community service consequences.

4. OPERATIONS, DRESS CODE, & HEALTH

Daily Standard Uniform

Oakridge Academy relies on a standard uniform to minimize social divisions and promote institutional unity. All students must present themselves in clean, properly sized school attire during regular operating hours.

- **Mondays through Thursdays:** Navy blue blazer featuring the official school crest, tailored khaki trousers or institutional plaid pleated skirts, solid white collared dress shirt, and dark leather dress shoes.
- **Fridays (Spirit Days):** Approved Oakridge polo shirts paired with standard neat denim jeans (free from distressing, holes, or visible frayed patches).

Campus Health & Medical Administration

The health suite is continuously staffed by a registered nurse. Students requiring medical updates or medication administration during active operating hours must strictly adhere to the infrastructure outlined below:

Medication Class	Storage Obligation	Documentation Required
Prescription Drugs	Locked in Health Suite Only	Physician Signature Form
Over-the-Counter (OTC)	Locked in Health Suite Only	Parent / Guardian Consent
Emergency Inhalers / Epi-Pens	Self-Carry Authorized	Dual Doctor & Parent Waiver

Emergency Drill Protocols

Evacuation maps are permanently positioned near the entry threshold of every room. Fire, severe weather, and security drills occur monthly. Students are expected to transition through routes silently, swiftly, and in precise configurations under structural supervision from their respective instructors.
